# TEMPORARY AUTONOMOUS ARTS SHEFFIELD

## 12th-15th May 2010

A Free Open Access Arts and DIY Event

Sheffield Temporary Autonomous Arts (TAA) is an unfunded, DIY exhibition that aims to celebrate creativity in all forms, to encourage community and self-expression.

TAA exhibitions exist outside the corporate world and established art elites.

We are addressing the urgent need for free spaces outside commercial pressures, where people can meet and come together to share ideas and create new possibilities.

Power to the people!

Sheffield TAA will be a free space: free to enter, free to exhibit.

Featuring: painting, sculpture, photography, film, interactive art, installations, performance, playskools, film and documentary, and whatever else you can imagine and make happen!

Weds 12th: install art and set up.

Thurs 13th - Sat 15th: open 12pm - midnight, with shows each evening from 7.30pm (check web for details nearer the time)

OPEN INVITE TO ANYONE WHO WANTS TO GET INVOLVED
